Are you ready to Tumble?

A.A.G.A. has **Beginner/Advanced Tumbling** classes available now on:

- Tuesday 5:00p (*Beginner*)
- Wednesday 6:00p (*Beginner*)
7:00p (*Advanced*)

Our facility is equipped with a Large Spring Gymnastics Floor, 40ølong Tumble Track, 2 in-ground Trampolines and 2 large Foam Pits.

Our 1 hour tumbling classes are structured and kept at low (1-10) ratio, so each student can learn or perfect their tumbling to their best ability under the supervision of our experienced tumbling instructors!

If you would like more information about our Tumbling Program, please see our Tumbling director Texie Gregory.

With the help of the coach, your child will have a lot of fun and a successful year!

Thank you for helping! A.A.G.A Staff
